officers would come in or other staff members of the police department would come in. They'd give me a set of parameters. I'd pull the data they requested, and then give that to them, whatever they requested.  Q. And that essentially was your function A. Yes, sir.  Q for the period of time you worked there?  A. Yes, sir.  Q. So looking at what is now Exhibit 1, do you recognize that document?  A. It looks like something I would have prepared, yes, sir.  Q. Explain to me why you think it's something that you would have prepared.  A. The formatting looks like our standard formatting. At the bottom it looks like the way that we would have formatted it. It's extracted from the RMS, and the date it was extracted.  Q. Okay. And who asked you, if you can recall, to prepare this document?  A. I don't recall, sir. I apologize.		A. Sure. So usually what would happen,

	2 /	A. Yes, sir, that's right.
	3	Do you know what this chart represents?
	4 It sa	ays at the top citations.
	5	Now what does the word citations mean
	6 in yo	our parlance?
	7	A. That can mean a variety of things. It
	g could	d mean citations for traffic offense. It
	could	mean citations for drug offenses. It could
	mean	a variety of citations that people would

14	1	I don't, sir. I'm sorry.
1!	5	. Would somebody have asked you for a
16	chart	like this for citations that would have
17	over cover	ed all of the different citations that you
18	just	mentioned?
19	P	. It's possible, yes, sir.
20	)   Q	. What else is possible?
21	- A	. If they wanted a specific type of
22	citat	ion they could have requested that. But I
23	don't	know. I'm sorry.
24	Q	. I take it you don't recall what you
25	were	asked?
